Turlock CALIFORNIA

MORE CHOICES IN CALIFORNIA'S CENTRAL VALLEY

USCS' newest California facility USCS Turlock is ideally situated to serve the Central Valley's food producers, processors and manufacturers. It features the latest in refrigeration technology and warehouse design, providing you with a safe, secure environment for your logistics program. We offer a complete line up of services for both finished and off production products and will customize our services to meet your needs. Turlock is within a short drive of the SF Bay Area and the ports of Oakland and Stockton.
