BETHLEHEM: YOUR NORTHEAST CONNECTION

Extending our National Network of refrigerated warehouses to the Northeast, USCS is proud to introduce our ultra-modern distribution center located in Bethlehem, Pennsylvania. Situated strategically within the major metro-hubs of New York, Philadelphia, Baltimore and Washington D.C., and offering superior access to multiple transportation modes makes USCS Bethlehem the best choice for refrigerated distribution in the Northeast.

SOME COLD FACTS

- 13.4 million cubic feet of convertible space with temperatures ranging from -20°F to +50°F with land to expand
- 60 feet wide enclosed refrigerated docks
- 54 truck dock doors
- Over 47,000 individually racked pallet positions
- 10 rail car doors with room to expand to 15 rail dock doors serviced by Norfolk Southern and Canadian Pacific railroads
- Intermodal service provided by BethIntermodel

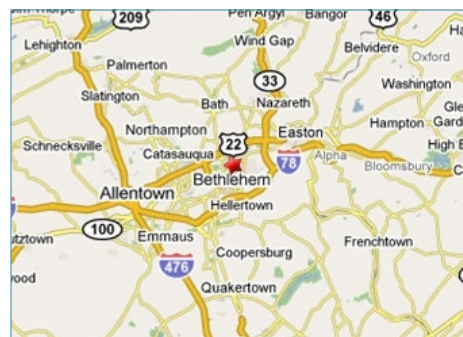

THE LATEST IN REFRIGERATED LOGISTICS SERVICES

- eUSCOLD® On-line Internet Services
- PDQ Logistics freight consolidation program
- RF Barcode Scanning integrated with advanced computer directed WMS functionality

Strategically Located

USCS Bethlehem is located just 1 mile off Interstate 78, which connects to NS and EW Routes 33, 476 and 22. Bethlehem is an ideal crossroads to service New York City and the Northeast region. Located just outside of

these major metropolitan areas allows USCS to provide exceptional regional distribution while providing a superior pick-up location for those manufacturers working with their customers on back-haul and vendor consolidation programs.
